PREFACE

Dear ESSB-student,

In this booklet lies the perfect opportunity for every ESSB-student to have an amazing time with Cedo Nulli! It offers various ways to get acquainted with other ESSB-students, develop new skills, and make memories for years to remember. Whether you are just getting started with your studies, or someone that has been around campus for a while, Cedo Nulli has something to offer you! Do you feel like you have not yet experienced the student life you wished for? Chances are that Cedo Nulli has something which will fit your needs, whether it be in an academic sense, a career-oriented sense, or by offering recreational activities.

Studying is probably the most important matter in a student's life, yet many employers and former students will tell you that it is just as important to develop yourself outside of your studies. By becoming an active member, or joining a committee, or even by showing up to a few activities, this development can easily be found. Cedo Nulli, the faculty association of the ESSB, exists to serve this purpose.

Membership at Cedo Nulli provides you with a broad variety of activities, which offer various ways to grow yourself. We provide study groups, internships, study trips both abroad and locally, and interesting events related to your specific field of study. Besides this, we organise many great parties where our members can blow off some steam. In conclusion, we offer everything you might look for!

This booklet contains all the information for you to find out what interests you at Cedo Nulli. Take a peek at the Committees as well! See a committee that sparks your interest? Apply quickly, that way you will get to organise events that you are enthusiastic about and attend them yourself too!

Please enjoy this booklet. If any matters are still unclear or if you have any remaining questions concerning the information in this booklet, do not hesitate to reach out. We will gladly help you with your questions!

Kind regards,

The XXXIXth Board of Cedo Nulli

THERE IS ALWAYS A COMMITTEE THAT SUITS YOU

ALMANAC COMMITTEE

Cedo Nulli is celebrating its 45th anniversary this year and an Almanac is something that cannot be missing during a lustrum year. The Almanac Committee is a committee with many possibilities to learn new skills, such as writing or editing. If you are creative and want to create something for all the members of the association, do not hesitate and join this special committee! Since the Almanac Committee does not consist of the regular functions, feel free to ask the board for more information!

POSITIONS

THE POSITIONS WITHIN EACH COMMITTEE

CHAIR

As the Chairman of a committee you are expected to guide the committee on the right track. You make sure that things get taken care of, that communication stays clear and that the board supervisor is up-to-date on the current state of affairs. Keep in mind that as a chairman you have more responsibilities than other members of the committee. So are you a responsible person who is capable of keeping an overview of what's going on? Chairman is the way to go!

TREASURER

As the Treasurer of your committee, you will be responsible for the budget. You will learn how to make an estimate and in the beginning of the year you will prepare an estimate for your committee. Sometimes it will be a real challenge and puzzle to let everything fit in the budget, but that's also the fun part. It's also your job to keep an eye on your committee members, so they won't spend too much (or too little) money!

SECRETARY

The Secretary focuses on writing the minutes during a meeting. This is an important task: the committee depends on you to read what they need to do. Besides this, you will be answering most of the e-mails your committee gets and processing the subscriptions for activities. Secretary mostly is more of a back-ground role but in most committees you can do some other tasks as well. So would you like to be the backbone in a committee? Become the Secretary!

COMMISSIONER OF PROMOTION

The Commissioner of Promotion is responsible for the promotion of the events a committee organises. You will promote the event and write a little piece of text to put on Facebook, create flyers and promotional video's (in programs such as Canva, Photoshop, InDesign and Illustrator) for an activity, and so much more! If you are outgoing, creative, have a lot of marketing strategies and all in all feel like you were born to be a Commissioner of Promotion, then search no more, apply for this position now!

COMMISSIONER OF EXTERNAL RELATIONS

As a CER you will be responsible for all outgoing contact that is not related to the university. In addition, you will be responsible for adding more contacts to the commercial relations system. Moreover, using these contacts you can come up with ideas for acquisition. In other words: if you add a lot of contacts and have a good plan of action, your committee may get their hands on extra budget! So, do you want to learn how to lobby and present yourself? Then we want you!

DIVERSITY AND INCLUSION COMMISSIONER

The Diversity and Inclusion Commissioner is not an independent position, but an added task for a person chosen within your committee. This extra function is a merge from last years International and Cohesion Commissioner. The task as a Diversity and Inclusion Commissioner is to make sure everyone feels included within the committee and during the events you organise. You make sure that all the events the that committee organises are accessible for everyone (also for international students) and you will be responsible for promoting more cohesion within the committee, for example by organising and stimulating activities to undertake together. Lastly, you will responsible for the buddy system, so when someone asked for a buddy, it is possible that you are the one who are linked to that person. So do you like to create cohesion, include others and love to making new social contacts? Then you are the right person for this position!
