PREFACE

Dear ESSB-student,

Here in your hands is a booklet that has the potential to be the gateway to an amazing year at Cedo Nulli, with fantastic new people to meet, exclusive competences to develop and unique experiences to gather! Whether you are a first-year student, or a student who has been around for longer, Cedo Nulli offers you a year full of new and fun experiences again. Being a part of this association has for many years and for many people been the best way to experience the full spectrum of student life! We, the board, hope to offer that to you too!

Studying hard to achieve the best possible version of yourself is what all students strive for. Yet, many employers and former students recommend to not just focus on studying, but to also develop yourself in different ways. Cedo Nulli, the faculty association of the ESSB, exists exactly for this purpose.

Our membership offers you the possibility to develop yourself in many ways. We provide study groups, internships, study trips both abroad and locally, and interesting events related to your field of study. Besides that, we are known to throw some of the best parties at this university. We offer you the whole package!

Are you excited yet? This booklet contains all the information for you to see what kind of events we organize that are interesting to you. If certain committees have caught your eye, then you can also apply for them! You get to attend AND organize events you are passionate about!

Enjoy reading this booklet. If you still have some questions for us, do not hesitate to contact us and we will gladly answer your questions!

Kind regards,

The XXXVIIth Board
of Cedo Nulli

BENEFITS OF BEING A MEMBER

How you benefit from being a member of Cedo Nulli is quite simple; you will get access to all our activities. You can participate in the study groups where the subject matter will be discussed to help you with your exam preparations.

Besides this, we will also help you in your professional development: we organize different workshops throughout the year, you are able to connect with potential employers, and follow training courses. Furthermore, we also organize social activities where you can connect with your fellow students and make friends for life! So, sign up for membership and discover all the other benefits!

BEING A COMMITTEE MEMBER

If you get selected as a committee member, you will get the opportunity to work with a team on the type of events that are assigned to the committee. You will also get to know all the other committee members, share experiences together and form close friendships. And to top it off, committee members can go on exclusive weekend breaks and join the Battle of the Committees! To find out which committees there are and which committee suits you the most, keep on reading!

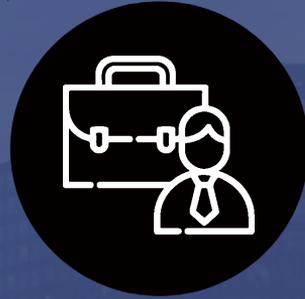

COMMITTEES

THERE IS ALWAYS A COMMITTEE THAT SUITS YOU

ALUMNI COMMITTEE

The Alumni Committee consists of alumni of the Erasmus School of Social and Behavioural Sciences. Master students can also apply for this committee. You will mainly organise activities for other alumni, such as exclusive drinks. As a member of this committee, we challenge you to come up with interesting activities for alumni and to turn these ideas into a success. Besides the drinks you will also organize a bigger event in cooperation with the faculty to help alumni grow in their career. Definitely think about joining this committee if you are an ambitious alumnus or an alumna and still want to be active at Cedo Nulli.

CAREER ORIENTATION COMMITTEE

Everyone hopes to land that one dream job. Or if you're not entirely sure yet, getting a taste of potential possibilities would really help, right? This committee organizes amazing skill training courses, essential workshops, and in-house days at the best employers of various fields of study. If you're ambitious, a real 'go-getter', and want to leave university with a large network of contacts, then this is the perfect committee for you!

COMMUNITY COMMITTEE

The Community Committee is a committee for the people around you. Are you creative, caring, and an achiever? Then the Community Committee is the perfect committee for you. You will be busy with raising money for an organisation of your choice through various creative activities, as well as with recruiting volunteers for charity work. Can you make money move and enthuse your fellow students to go the extra mile? Apply for this committee!

DIES COMMITTEE*

This committee is responsible for two big things: the Destination Unknown weekend and the 'Dies Natalis'. The former is a short trip to an unknown location in the first part of the year. The destination will remain unknown for the participants until you get there! The Dies Natalis is a mix of several activities and festivities to celebrate the birthday of Cedo Nulli! As a member of this committee, you will have an amazing time and create some of the most memorable moments of the year.

FRESHMEN COMMITTEE

Being a freshman means that you have a year full of new experiences and people ahead of you, which is amazing but also a bit daunting. That's why the freshmen committee is great for first year-students! You'll get to work together with fellow freshmen and organize activities that help other freshmen find their way in Rotterdam and getting to know each other. This committee also is responsible for organizing the annual Parentday and the Freshmen Weekend in the beginning of the new academic year. Thus, all together an amazing committee in which you're guaranteed to have a great time!

INVOLVEMENT AND DIVERSITY COMMITTEE

The Involvement and Diversity Committee is a new committee. This committee will focus on organising events related to various topics that are relevant in today's society, like pride and cultural differences. As a member of this committee you get a chance to keep yourself and our members involved with social issues and create educative as well as recreational events. Are you a people's person and engaged with all things happening in the world? This might be the committee for you! As this is a new committee, don't hesitate to approach the board with any questions.

MEDIA COMMITTEE

Are you creative and do you go with the times of fast developing new media? Then the Media Committee is the perfect fit for you! Being part of this committee gives you the opportunity to make podcasts and to do video-interviews with people about subjects that engage students. If you are the creative type, tech-savvy on things all video, or a great speaker, you will definitely feel at home in this committee! Since the Media Committee does not consist of the regular functions, feel free to ask the board for more information!

MISOC-PUBLIC ADMINISTRATION- SOCIOLOGY COMMITTEE*

This is a broad committee that focuses on an equally broad range of subjects. You will get to organize activities such as publectures, a symposium, a pubquiz and many more! Are you motivated to organize activities around these three different studies and would you also like to organize a trip to Brussels? If you think that these kind of activities fit you then do not hesitate and sign up for this committee!

MUN COMMITTEE

MUN stands for Model United Nations. This committee is a derivative of our prestigious NMUN-project, which is also worth looking into for. The MUN Committee organizes events where you learn about public speaking, negotiating techniques, lobbying, writing official documents, and many more skills taught in the NMUN-project. You will be setting up events aimed at offering students both a taste of the real NMUN-project as well as valuable skills for the rest of their lives. If this sounds interesting to you, then you are the right person for this committee!

PARTY COMMITTEE

The Party Committee consists of people who truly are the life of the party. This year, we challenge you to use all your creativity to come up with party events that fit the restrictions due to COVID-19. On top of that, this committee is also in charge of making the yearbook. Do you know your way around the logistics of big events, can you excite others through various ways of promotion and maintain Cedo Nulli as the study association with the best parties? Then we are definitely looking for you! Apply now, party animal!

PEDAGOGICAL SCIENCES COMMITTEE

This Committee revolves entirely around Pedagogical Sciences students. You get to organize field trips to various interesting institutions, a symposium and workshops that directly relate to your field of study. If you are a passionate pedagogical sciences student, then you are the one we are looking for!

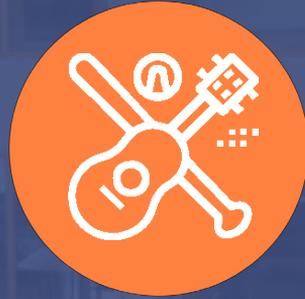

PSYCHOLOGY COMMITTEE

Are you a Psychology student who lost his or her heart this amazing field of research, then you definitely need to keep on reading. This committee organizes trips, a symposium and various lectures on very interesting topics that will keep you on the edge of your seat. Are you not a-freud to take on this challenge, then we want you!

SOCIAL SCIENCES CAREER WEEK

Are you up for a challenging committee? Do you want to help your fellow students with their orientation in the workfield by organizing a week full of career related activities, such as workshops, lectures, and other events? For one year, you will work together with your committee members to make this week a huge success. Give your cv a major boost by applying for this committee! Please keep in mind that this committee will require somewhat more effort than the other committees, but pays off tremendously. Also, you will receive a certificate for your participation in this committee.

SPORTS AND ACTIVITIES COMMITTEE*

Are you motivated to organize a mix of sporty and social activities? Are you creative enough to come up with new events in these areas? If so, then you will definitely feel at home in the Sports and Activities Committee! During the year, you will organize different activities and also our annual Ski-Trip! Furthermore, you will organize the renowned Beer Cantus which is a huge success every year. Do you think you are cut out for this? Then apply now!

STUDYTRIP COMMITTEE*

The study trip is one of the most popular events of the year. You, as a member of the Study Trip committee will make sure 50 students will have a week they will never forget with all their fellow students. In this committee you organise a week-long trip to an interesting location abroad, filled with study-related activities, cultural exploration and obviously with amazing parties. POSITIONS

THE POSITIONS WITHIN EACH COMMITTEE

CHAIRMAN

As the Chairman of a committee you are expected to guide the committee on the right track. You make sure that things get taken care of, that communication stays clear and that the board supervisor is up-to-date on the current state of affairs. Keep in mind that as a chairman you have more responsibilities than other members of the committee. So are you a responsible person who is capable of keeping an overview of what's going on? Chairman is the way to go!

SECRETARY

The Secretary focuses on writing the minutes during a meeting. This is an important task: the committee depends on you to read what they need to do. Besides this, you will be answering most of the e-mails your committee gets and processing the subscriptions for activities. Secretary mostly is more of a back-ground role but in most committees you can do some other tasks as well. So would you like to be the backbone in a committee? Become the Secretary!

TREASURER

As the Treasurer of your committee, you will be responsible for the budget. You will learn how to make an estimate and in the beginning of the year you will prepare an estimate for your committee. Sometimes it will be a real challenge and puzzle to let everything fit in the budget, but that's also the fun part. It's also your job to keep an eye on your committee members, so they won't spend too much (or too little) money!

COMMISSIONER OF PROMOTION

The Commissioner of Promotion is responsible for the promotion of the events a committee organizes. You will promote the event and write a little piece of text to put on Facebook, create flyers and promotional video's (in programs such as Photoshop, InDesign and Illustrator) for an activity, and so much more! If you are outgoing, creative, have a lot of marketing strategies and all in all feel like you were born to be a Commissioner of Promotion, then search no more, apply for this position now!

COMMISSIONER OF EXTERNAL RELATIONS

As a CER you will be responsible for all outgoing contact that is not related to the university. In addition, you will be responsible for adding more contacts to the commercial relations system. Moreover, using these contacts you can come up with ideas for acquisition. In other words: if you add a lot of contacts and have a good plan of action, your committee may get their hands on extra budget! So, do you want to learn how to lobby and present yourself? Then we want you!

EXTRA FUNCTIONS

Each committee has two extra functions that will be added to two of the committee members' positions. They are cohesion and international commissioner. These aren't full positions that can be taken on by itself, but they will add an extra task to your position.

COHESION COMMISSIONER

The Cohesion Commissioner is not an independent position, but an added task for a person chosen within your committee. A cohesive group is a productive group! This task consists of creating more cohesion within the committees, monitoring it, and finally addressing it if necessary through a round of honesty. Promoting more cohesion can be achieved by organizing activities for the committee to undertake together. Not only after cohesiveness is reduced, but also preventively.

INTERNATIONAL COMMISSIONER

Just like the Cohesion Commissioner, the International Commissioner is not an independent position, but an added task for a person chosen within your committee. The International Commissioner will make sure all the events a committee organizes, are also attractive to international students. Finally, the International Commissioners will encourage other members to make English the main spoken language at their activities when there are internationals present. So do you like to create social contacts and do you want that your activities will be the most visited activities? Then you are the right person for this challenge!
