PREFACE

Dear ESSB-student,

Here in your hands is a booklet that has the potential to be the gateway to an amazing year at Cedo Nulli, with fantastic new people to meet, exclusive competences to develop and unique experiences to gather! Whether you are a first-year student, or a student who has been around for longer, Cedo Nulli offers you a year full of new and fun experiences again. Being part of this association has for many years and for many people been the best way to experience the full spectrum of student life! We, the board, hope to offer that to you!

Studying hard to achieve the best possible version of yourself is what all students strive for. Yet, what many employers and former students recommend is to not only study, but also to develop yourself in different ways. Cedo Nulli, the faculty association of the ESSB, exists exactly for this.

Membership offers you the possibility to develop yourself through a large variety of ways.

We offer study groups, internships, study trips both abroad and locally, and interesting events related to your field of study. Besides that, we are known to throw some of the best parties at this university. We offer you the whole package!

Are you excited yet? This booklet contains all the information for you to see what kind of events we organize that are interesting to you. If certain committees have caught your eye, then you can also apply for them! You get to attend AND organize events you are passionate about!

POSITIONS

THE POSITIONS WITHIN EACH COMMITTEE

CHAIRMAN

As the Chairman of a committee you are expected to guide the committee on the right track. You make sure that things get taken care of, that communication stays clear and that the board supervisor is up-to-date on the current state of affairs. Keep in mind that as a chairman you have more responsibilities than other members of the committee. So are you a responsible person who is capable of keeping an overview of what's going on? Chairman is the way to go!

SECRETARY

The Secretary focuses on writing the minutes during a meeting. This is an important task: the committee depends on you to read what they need to do. Besides this, you will be answering most of the e-mails your committee gets and processing the subscriptions for activities. Secretary mostly is more of a back-ground role but in most committees you can do some other tasks as well. So would you like to be the backbone in a committee? Become the Secretary!

TREASURER

As the Treasurer of your committee, you will be responsible for the budget. You will learn how to make an estimate and in the beginning of the year you will prepare an estimate for your committee. Sometimes it will be a real challenge and puzzle to let everything fit in the budget, but that's also the fun part. It's also your job to keep an eye on your committee members, so they won't spend too much (or too little) money!

COMMISSIONER OF PROMOTION

The Commissioner of Promotion is responsible for the promotion of the events a committee organises. You will promote the event and write a little piece of text to put on Facebook, create flyers and promotional video's (in programs such as Photoshop, InDesign and Premiere Pro) for an activity and so much more!

If you are outgoing, creative, have a lot of marketing strategies and all in all feel like you were born to be a Commissioner of Promotion, then search no more, apply for this position now!

COMMISSIONER OF EXTERNAL RELATIONS

This year the CER will be responsible for all outgoing contact that is not related to the university. In addition, you will be responsible for adding more contacts to the CRM system. Moreover, using these contacts you can come up with ideas for acquisition. In other words: if you add a lot of contacts and have a good plan of action, your committee may get their hands on extra budget! So, do you want to learn how to lobby and present yourself? Then we want you!

COHESION COMMISSIONER

The Cohesion Commissioner is not an independent position, but an added task for a person chosen within your committee. A cohesive group is a productive group! This task consists of creating more cohesion within the committees, monitoring it, and finally addressing it if necessary through a round of honesty. Promoting more cohesion can be achieved by organizing activities for the committee to undertake together. Not only after cohesiveness is reduced, but also preventively.

INTERNATIONAL COMMISSIONER

Just like the Cohesion Commissioner, the International Commissioner is not an independent position, but an added task for a person chosen within your committee. The International Commissioner will make sure all the events a committee organises, are attractive to international students. Finally, the International Commissioners will encourage other members to make English the main spoken language at their activities. So do you like to create social contacts and do you want that your activities will be the most visited activities? Then you are the right person for this challenge!
